3. Stockton East Water District – Bellota Pipeline 4,000 & 8,000 Pumps Memo, 05/04/21 Manager Moody provided the Board with information on the 4,000 & 8,000 pumps and the Bellota Pipeline. Manager Moody reported staff discovered a leak on the 4,000 pump pipe. The leak has been repaired and is working well.

Manager Moody reported the 8,000 pump made a loud rattle near the motor/discharge head area of the pump. The pump was removed and delivered to Purviance Drillers (Purviance). It was determined some of the noise is coming from failed electric motor bearings. The motor was sent to Ace Motor Shop for repairs. The noise was also attributed to a failed head shaft bearing, calling for rebuilding of the pump. The 8,000 pump should be back in service within the week.

Director Atkins inquired if Purviance mentioned the condition of the pump. Manager Moody replied it is in good shape.

Manager Moody reported a radial crack was discovered on the Bellota pipeline as well as two more potential leaks downstream of the Constant head Vault. Staff installed a manhole and were able to repair the issues from the inside.

President Watkins inquired if the manhole is level with the ground. Manager Moody replied yes, it sits flush with the ground.

Director McGurk inquired on the rehabilitation of the 4,000 pump. Manager Moody replied the pipe is not being use, instead a temporary solution of using a common ditch that conveys water into Potter Creek is being used and working well. After irrigation season the pipe will be dug up and a new pipe installed.

Director McGurk inquired if the 4,000 and 8,000 pumps will be enough should there be growth on Potter Creek. Manager Moody replied these pumps are only used when the Bellota pipeline is offline. Otherwise, the Bellota pipeline is what is used for regular service.

President Watkins inquired if the District owns a saw cutter or if this work was hired out. Assistant Manager Hopkins replied this work was hired out because of the size; the biggest drill bit the District has is 8-inches. This item was for information only.

Director McGurk inquired on the status of the project San Joaquin County Public Works is conducting. Manager Moody reported Public Works will be staging equipment for this project on District property. Manager Moody just signed a notarized agreement for storage and this project should be breaking ground soon.

Director McGurk inquired if this project will have any effect on the District. Manager Moody reported that there are stipulations in the agreement about the fisheries and staff will monitor the area of use during this project.

### E. COMMITTEE REPORTS

Rule No. 131 Ad-Hoc Committee Meeting, 05/03/21
 Directors McGurk, Panizza and Watkins, Legal Counsel Zolezzi and Manager Moody and staff attended the May 3, 2021 Rule No. 131 Ad-Hoc Committee Meeting. Manager Moody reported

2

Board Meeting – 05/04/21 Draft Rule No. 131 was discussed as this rule outdated and needs some updating. There was discussion on the formula for applying groundwater equalization. The Committee gave staff direction with moving forward.

### F. REPORT OF GENERAL MANAGER

1. Water Supply Report as of 05/03/21

Manager Moody provided a handout of the Water Supply Report for information only that included storage, release, and production data collected from various sources as of midnight last night.

There is 147,191 AF in storage at New Hogan Reservoir. Current releases are set at 191 cfs. Current release at Goodwin Dam to Stanislaus River are set at 374 cfs and release to all water users are set at 153 cfs. There are 14 irrigator(s) on New Hogan, 5 irrigator(s) on New Melones and 0 Out-of-District irrigator(s). The water treatment plant is currently processing 30 mgd. The City of Stockton is currently processing 22 mgd.

There was discussion regarding the PG&E peak schedules.

### 2. Information Items:

Manager Moody noted items: F2a-1, F2a-2, F2a-3 and F2a-4.

### 3. Report on General Manager Activities

a. Stockton East Water District Meeting with San Joaquin County Supervisor Chuck Winn, 04/28/21

Directors Sanguinetti and Watkins and Manager Moody attended the April 28, 2021 Meeting with San Joaquin County Supervisor Chuck Winn. Manager Moody reported discussion focused on surrounding issues on legislation and consolidation with Central San Joaquin Water Conservation District.

b. Stockton East Water District Meeting with San Joaquin County Supervisor Tom Patti, 04/29/21

Director Watkins and Manager Moody attended the April 29, 2021 Meeting with San Joaquin County Supervisor Tom Patti. Manager Moody reported discussion focused on surrounding issues on legislature and consolidation with Central San Joaquin Water Conservation District.

c. ACWA State Legislative Committee Meeting, 04/30/21

Manager Moody attended the April 30, 2021 ACWA State Legislative Committee Meeting. Manager Moody reported there was discussion about the upcoming workshops for Post-1914 curtailments. Governor Newsom is expected to declare a drought this Friday. The State Board conducted an analysis on the at risk systems and must determine how to merge them with bigger systems or fix them. The State Board found a \$7.5 billion gap for what is funded and what they will need funding for. Manager Moody reported that ACWA is concerned about DWRs work on indoor water standard regarding how much water should be used within the home. Within the legislation DWR is required to work with stakeholders to determine the amount of water for use within homes. Instead of working with stakeholders, DWR is putting this information out for approval. Manager Moody reported there was discussion on SB 223. The committee for this bill did not take the recommended amendments made by ACWA, so they in-turn took an opposed position on this bill. The way it is written would allow the State Board to collect district boundaries for every water purveyor in the state and give them access

to the budgeting process, forcing larger systems to take on smaller systems. The next meeting is scheduled for May 21, 2021.

d. Stockton East Water District Activities Update Nothing to report.

### G. DIRECTOR REPORTS

1. Special Meeting of the Board of Directors, 04/29/21

Directors Cortopassi, McGaughey, Panizza, Sanguinetti and Watkins attended the April 29, 2021 Special Meeting of the Board of Directors. Also present at this meeting was former Congress Member Dennis Cardoza, Jared Rifis and William Ball, both of Foley & Lardner, LLP. Director Sanguinetti reported this meeting was informational. Manager Moody reported if the District ever has a federal need for a water project, there are people within the Foley & Lardner organization that could help. Director Panizza reported that this was a positive meeting.

### H. COMMUNICATIONS (None)

### I. AGENDA PLANNING/UPCOMING EVENTS

- 1. Eastern San Joaquin Groundwater Authority Ad-Hoc Technical Advisory Committee (TAC) Meeting, 10:00 a.m., 05/06/21

### MEMORANDUM

Date: May 3, 2021

To:

**ACWA REGION 4 MEMBER AGENCY PRESIDENTS AND GENERAL MANAGERS** 

(sent via e-mail)

From: ACWA REGION 4 NOMINATING COMMITTEE

Mike Hardesty, Reclamation District #2068 Jim Peifer, Sacramento Suburban Water District Michelle Reimers, Turlock Irrigation District **Kerry Schmitz**, Sacramento County Water Agency

The Region 4 Nominating Committee is looking for ACWA members who are interested in leading the direction of ACWA Region 4 for the 2022-2023 term. The Nominating Committee is currently seeking candidates for the Region 4 Board, which is comprised of Chair, Vice Chair and up to five Board Member positions.

The leadership of ACWA's ten geographical regions is integral to the leadership of the Association as a whole. The Chair and Vice Chair of Region 4 serve on ACWA's Statewide Board of Directors and recommend all committee appointments for Region 4. The members of the Region 4 Board determine the direction and focus of region issues and activities. Additionally, they support the fulfillment of ACWA's goals on behalf of members and serve as a key role in ACWA's grassroots outreach efforts.

If you, or someone within your agency, are interested in serving in a leadership role within ACWA by becoming a Region 4 Board Member, please familiarize yourself with the Role of the Regions and Responsibilities; the Election Timeline; and the Region 4 Rules and Regulations and complete the following steps:

- Complete the attached Region Board Candidate Nomination Form HERE
- Obtain a Resolution of Support from your agency's Board of Directors (Sample Resolution HERE)
- Submit the requested information to ACWA as indicated by Wednesday, June 30, 2021

The Region 4 Nominating Committee will announce their recommended slate by July 31, 2021. On August 2, 2021 the election will begin with ballots sent to General Managers and Board Presidents. One ballot per agency will be counted. The election will be completed on September 30, 2021. On October 4, 2021, election results will be announced. The newly elected Region 4 Board Members will begin their two-year term of service on January 1, 2022.

If you have any questions, please contact Region and Member Engagement Specialist Ana Javaid, at anaj@acwa.com or (916) 441-4545.

ACWA Regions provide the grassroots support to advance ACWA's legislative and regulatory agenda.

### Background

As a result of ACWA's 1993 strategic planning process, known as Vision 2000, ACWA modified its governance structure from one that was based on sections to a regional-based configuration. Ten regions were established to provide geographic balance and to group agencies with similar interests.

### **Primary Charge of Regions**

- To provide a structure where agencies can come together and discuss / resolve issues of mutual concern and interest and based on that interaction, provide representative input to the ACWA board.
- To assist the Outreach Task Force in building local grassroots support for the ACWA Outreach Program in order to advance ACWA's legislative and regulatory priorities as determined by the ACWA Board and the State Legislative, Federal Affairs or other policy committees.
- To provide a forum to educate region members on ACWA's priorities and issues of local and statewide concern.
- To assist staff with association membership recruitment at the regional level.
- To recommend specific actions to the ACWA Board on local, regional, state and federal issues as well as to recommend endorsement for various government offices and positions.

Region chairs and vice chairs, with support from their region boards, provide the regional leadership to fulfill this charge.

Note: Individual region boards CANNOT take positions, action or disseminate communication on issues and endorsements without going through the ACWA Board structure.

# GENERAL DUTIES / RESPONSIBILITIES FOR REGION OFFICERS

### **Region Chair**

- Serves as a member of the ACWA Board of Directors at bimonthly meetings at such times and places as the Board may determine. The Chair will also call at least two Region membership meetings to be held at each of the ACWA Conferences and periodic Region Board meetings.
- Serves as a member of ACWA's Outreach Program, and encourages region involvement. Appoints Outreach Captain to help lead outreach effort within the region.
- Presides over all region activities and ensures that such activities promote and support accomplishment of ACWA's Goals.
- Makes joint recommendations to the ACWA President regarding regional appointments to all ACWA committees.
- Appoints representatives in concurrence of the region board, to serve on the region's nominating committee with the approval of the region board.
- Facilitates communication from the region board and the region membership to the ACWA board and staff.

### **Region Vice Chair**

- Serves as a member of the ACWA Board of Directors at bimonthly meetings at such times and places as the Board may determine. The Vice Chair will also participate in at least two Region membership meetings to be held at each of the ACWA Conferences and periodic Region Board meetings.
- Performs duties of the Region Chair in the absence of the chair.
- Serves as a member of ACWA's Outreach Program, and encourages region involvement.
- Makes joint recommendations to the ACWA president regarding regional appointments to all ACWA committees.

### **Region Board Member**

- Participate in at least two Region membership meetings to be held at each of the ACWA Conferences and periodic Region Board meetings.
- Supports program planning and activities for the region.
- Actively participates and encourages region involvement in ACWA's Outreach Program.
- May serve as alternate for the chair and/or vice chair in their absence (if appointed) to represent the region to the ACWA Board.

# ACWA Region 4 Rules & Regulations

Each region shall organize and adopt rules and regulations for the conduct of its meetings and affairs not inconsistent with the Articles of Incorporation or bylaws of the Association (ACWA Bylaw V, 6.).

### Officers

The Region 4 board shall have cooperation and planning responsibility and can make specific recommendations to the region as a whole.

The chair will appoint a secretary to the board if one is deemed necessary.

### Meetings

Region 4 will meet at least quarterly; two of those meeting to be held at the ACWA spring and fall conferences.

The Region 4 Board will determine when or if the non-members are invited to regional activities or events.

### **Attendance**

If a region chair or vice chair is no longer allowed to serve on the Board of Directors due to his / her attendance, the region board shall appoint from the existing region board a new region officer. (ACWA Policy & Guideline Q, 1.)

If a region chair or vice chair misses three consecutive region board / membership meetings, the same process shall be used to backfill the region officer position. (ACWA Policy & Guideline Q, 1.)

If a region board member has three consecutive unexcused absences from a region board meeting or general membership business meeting, the region board will convene to discuss options for removal of the inactive board member. If the vacancy causes the board to fail to meet the minimum requirement of five board members, the region must fill the vacancy according to its rules and regulations. (ACWA Policy & Guideline Q, 3.)

### **Elections**

All nominations received for the region chair, vice chair and board positions must be accompanied by a resolution of support from each sponsoring member agency, signed by an authorized representative of the Board of Directors. Only one individual may be nominated from a given agency to run for election to a region board. Agencies with representatives serving on the nominating committees should strive not to submit nominations for the region board from their agency. (ACWA Policy & Guideline P, 2.)

The term for the chair and vice chair shall be limited to one full two-year term.

An elected chair or vice chair shall not be permitted to succeed himself/herself to that office.

Election ballots will be e-mailed to ACWA member agency general managers and presidents.

The nominating committee shall consist of three to five members.

The nominating committee should pursue qualified members within the region to run for the region board, and should consider geographic diversity, agency size and focus in selecting a slate.

Once the nominating committee has decided on a recommended region slate, they shall work with ACWA staff to ensure candidates not chosen for the slate are notified prior to the start of the election.

See current region election timeline for specific dates.

### **Endorsements**

ACWA, as a statewide organization, may endorse potential nominees and nominees for appointment to local, regional, and statewide commissions and boards. ACWA's regions may submit a recommendation for consideration and action to the ACWA Board of Directors to endorse a potential nominee or nominee for appointment to a local, regional or statewide commission or board. (ACWA Policy & Guideline P, 3.)

### **Committee Recommendations & Representation**

All regions are given equal opportunity to recommend representatives of the region for appointment to a standing or regular committee of the Association. If a region fails to provide full representation on all ACWA committees, those committee slots will be left open for the remainder of the term or until such time as the region designates a representative to complete the remainder of the term. (ACWA Policy & Guideline P, 4. A.)

At the first region board / membership meeting of the term, regions shall designate a representative serving on each of the standing and regular committees to serve as the official reporter to and from the committee on behalf of the region to facilitate input and communication. (ACWA Policy & Guideline P, 4. B.)

### **Tours**

ACWA may develop and conduct various tours for the regions. All tour attendees must sign a "release and waiver" to attend any and all region tours. Attendees agree to follow environmental guidelines and regulations in accordance with direction from ACWA staff; and will respect the rights and privacy of other attendees. (ACWA Policy & Guideline P, 6.)

### **Finances**

See "Financial Guidelines for ACWA Region Events" document.

### **Amending the Region Rules & Regulations**

ACWA policies and guidelines can be amended by approval of the ACWA Board of Directors.

The Region 4 Rules & Regulations can be amended by a majority vote of those present at any Region 4 meeting as long as a quorum is present.

Re: USACE New Hogan O&M Charges

### Background:

In 1970, The Stockton East Water District (SEWD), Calaveras County Water District (CCWD), and the United States of America through the US Army Corps of Engineers (USACE) entered into a contract for operation and maintenance of the New Hogan Project.

The contract stipulates that SEWD and CCWD would repay 38% of non-recreation operation and maintenance (O&M) costs in "equal annual amounts for 5-year periods". In effect the USACE incurs costs for a 5-year period and collects the corresponding 38% share of those costs in the subsequent 5-year period.

### **Summary:**

\*For the Period **2011-2015** the USACE incurred **\$9,132,409.51** of O&M costs of which **\$3,470,315.61** are to be repaid by SEWD and CCWD. Those costs were repaid by the Districts in the years 2016-2020.

\* For the Period **2016-2020** the USACE incurred **\$14,610,074.16** of O&M costs of which **\$5,551,828.18** are to be repaid by SEWD and CCWD. Those costs are to be repaid by the District in the years 2021-2025.

The Tainter Gate Project is a main cause of the increased costs incurred by the USACE and passed along to the Districts. From 2012-2020 the project generated \$9,160,892.91 in expenses. The project finished construction in February 2021. Given that the final cost of the project was \$10,024,597.05, the next cycle of billing will likely include an estimated \$863,704 which is the balance of the project not already included in the current bill.

### **Conclusion:**

The yearly increase in costs for the years 2021- 2025 is certainly concerning, however, the USACE has provided explanation for the increase of costs under the contract. Further, the USACE has agreed to provide yearly updates to staff in order to better plan and prepare for the next billing cycle. This in turn will allow staff to monitor costs and update the Board of Directors as necessary.

The Honorable Mike McGuire Chair, Senate Governance and Finance Committee State Capitol Room 408 Sacramento, CA 95814

RE: SB 656 (Eggman): Letter of Support

Dear Chair McGuire:

On behalf of the Stockton East Water District this letter is sent to strongly support SB 656 which is before your committee.

In 1979, the cost of surface water and agricultural groundwater assessments for Stockton East Water District were set by the legislature at \$7.60 and \$1.16 respectively. The districts governing legislation also provided generally that thereafter, those rates could not be increased in any year by more than the consumer price index.

Because of these artificially imposed rates caps, the district's agricultural groundwater assessment in particular has remained artificially low. By way of example, the district's current maximum agricultural groundwater assessment is \$5.36 per acre foot, which is the current rate imposed. Neighboring districts, such as Central San Joaquin Water Conservation District, charge \$12.00 per acre foot, while districts in neighboring counties charge from \$10.00 to \$30.00 per acre foot annually.

As a result of the rate cap, the Board of Directors has found it difficult to balance the agricultural division budget. The district is divided into agricultural, municipal and administrative divisions. The agricultural division must balance its budget without subsidies from the municipal divisions.

Further, without a source of funds, the district has been unable to implement reasonable actions to assure sustainability of the groundwater basin to comply with the requirements of the Sustainable Groundwater Management Act. Such actions will include utilizing more surface water within the district to avoid groundwater curtailments. The district is very fortunate that it has surface water supplies available, and if those supplies are used it will not have to restrict groundwater diversions under SGMA. However, the district must have the ability to incentivize surface water use, and must also have the financial ability to implement projects to make that surface water available to diverters.

The Honorable Mike McGuire April 30, 2021 Page 2 of 2

It is important to note that the rate cap being removed by SB 656 applies to agricultural division charges only, and can and will have no impact on the District's municipal division customers.

Removal of the rate cap will allow the District to reach sustainability in an economically sound way, without being overly burdensome on its agricultural division. The rates must still be reasonable and comply with the law, including, but not limited to Proposition 218 and Proposition 26.

It is essential that the artificial rate caps on agricultural charges imposed by the legislature in the 1970s be removed in order to allow the district to meet the legislative requirement of groundwater sustainability. The time has come to eliminate the rate caps that have held the district back for 40 years.

Thank you for your consideration.

Respectfully,

Andrew Watkins

Re: SB 656 (Eggman) - Stockton-East Water District: water rates

Dear Senator Eggman,

On behalf of the Board of Supervisors of San Joaquin County, I write in support of your bill, Senate Bill 656, which would amend the rates of Stockton East Water District. This bill is currently scheduled for hearing in the Senate Governance and Finance Committee on May 6, 2021.

While San Joaquin County, Stockton East, and its other municipal contractors continue to work on issues both related to and broader than the legislation, the authority granted by SB 656 is essential to the future of San Joaquin County, and required for San Joaquin County to reach groundwater sustainability under the Sustainable Groundwater Management Act.

Sincerely,

Supervisor Tom Patti, Chairman
San Joaquin County Board of Supervisors
